| Remarks: <p>The attached is forwarded for your files, since the Monetary Branch originated most of the correspondence on the subject. Colonel White stated today that he had given careful consideration to the establishment of an emergency cash reserve and had come to the conclusion not to take positive action at this time. However, if there is any indication as to a change in the world situation he would want to reconsider. Please keep this in mind and resubmit if changed conditions warrant.</p> | | | |
